BUILDING A BETTER TOMORROW

Leading the Path to
a Greener Future

A Message From Mr.B.Dharmaraj Director

Dear Team,

July has been a truly inspiring month for Zigma, filled with achievements that showcase our collective strength and commitment.

We celebrated an impressive 75% year-on-year growth in efficiency, completed key milestones across the AP Cluster projects at Kuppam, Palamaner, Allur, and Buchireddypalem, and maintained zero manpower loss incidents—a testament to our strong safety culture. Our Earthmovers team excelled by keeping per-ton costs within target while improving diesel utilization, and several sites set new benchmarks in operational efficiency.

Our departments have also stepped up remarkably:

- Purchase & IT streamlined processes with ERP integration, Leave Policy rollout, and the new Travel Desk.
- HR onboarded 41 employees and 324 contingent workers, while ensuring seamless payroll through HRMS.
- Multiple sites and teams were recognized with Best Site Awards and Excellence in Operations Awards, reflecting the dedication and expertise across Zigma.

Beyond operations, our environmental impact has been extraordinary. In July alone, Zigma mitigated over 3.41 lakh tons of CO₂ through biomining and an additional 9,729 tons by co-processing RDF in cement plants. These efforts are equivalent to preserving hundreds of thousands of acres of forests and powering wind turbines for years—clear evidence of the difference we are making for a greener tomorrow.

We were also honored to host distinguished leaders at our facilities, including Shri Katikithala Srinivas, IAS, Secretary, Ministry of Housing & Urban Affairs, and state leaders in Andhra Pradesh and Assam. The inauguration of the Anantapur Biomining Project and Guwahati's recognition as a 'Promising Swachh Sheher' at the Swachh Survekshan Awards are milestones that highlight the trust placed in Zigma's expertise.

As we move ahead, let's carry forward this momentum—with focus on efficiency, safety, and sustainability. Together, we are not only building a stronger Zigma but also contributing to a cleaner, greener India.

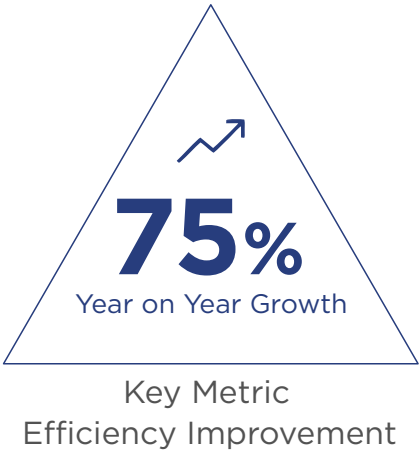

Thank you for your unwavering commitment and dedication.

COMPANY PERFORMANCE OVERVIEW

We are delighted to share that our company has achieved a 75% Year-on-Year Growth, reflecting significant improvements in efficiency and overall performance.

This milestone highlights the dedication of our team and our continued commitment to driving excellence.

DEPARTMENTAL HIGHLIGHTS

 OPERATION-BIOMINING

Key Achievements

Inward target Vs Achievement

— Zero Manpower Loss Incident

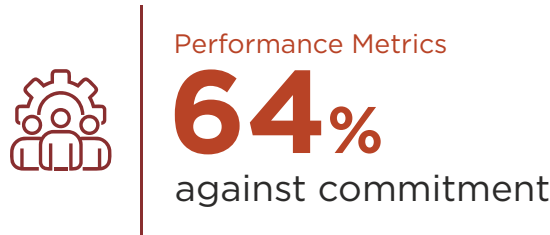

☆ We are pleased to report that during the recent incident, no manpower was lost, and all team members remained safe and accounted for. This highlights our ongoing commitment to safety and swift incident response protocols.

— AP Cluster

☆ AP cluster sites completed: Kuppam, Palamaner, Allur and Buchireddypalem

Site Name	Tons
Kuppam	20,018
Palamaneru	16,521
Alluru	2,099
Buchireddypalem	6,031

Total tons Processed
44,669 tons

PURCHASE DEPARTMENT

Key Achievements

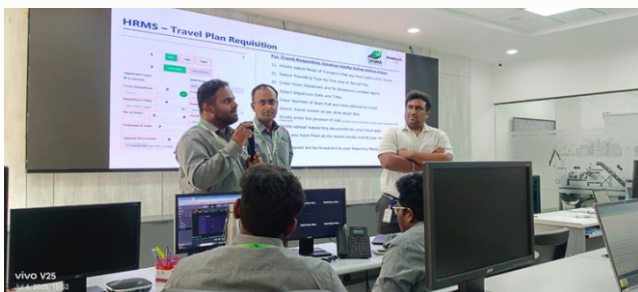

- ★ POs for erection were raised on time, and material delivery was closely followed up at the erection sites:
Gudur, Tirupati Plant 2, Donthalli Plant 3, Atmakur, and M & J KDG Package 1
- ★ Stock has been verified and accounted in the ERP system for the warehouse
- ★ Bills up to July have been completed and submitted to Accounts for all sites.

IT DEPARTMENT

Key Achievements

- ★ IT rolled out the Leave Policy, launched the Travel Desk, and introduced TADA — making work smoother and smarter!”
- ★ Travel & TADA Request training session conducted for department Wise - Finance, Operations, Purchase and IT
- ★ Travel & TADA Request training session conducted for Site wise - AP Clusters and Coimbatore WPE.

TRAINING SESSION

HR DEPARTMENT

Key Achievements

- ☆ 41 new employees and 324 contingent workers were onboarded across various project locations.
- ☆ The TADA Claim, Travel, and Travel request form have been updated in the HRMS portal.
- ☆ Salary generation through the HRMS portal has started from this month.

Performance Metrics

89%

against commitment

EARTHMOVERS DEPARTMENT

Key Achievements

Cost Efficiency: Most sites maintained Per Ton Cost (PTC) within target.

Fuel Optimization: Diesel utilization improved, with several sites achieving the benchmark range (1.2 – 1.4).

Overall Performance: Strong control over both operational cost and fuel efficiency compared to the previous period.

Best Performing Sites (PTC): Venkatagiri, Sulurpeta, Tirupati, Srikalahasti, Vizag, Puttur, NL-DT, KDG-4, Puducherry, Punganuru

Diesel Efficiency (1.2 – 1.4): Puducherry, Punganuru, Srikalahasti, KDG-4

IN THE NEWS OF JULY 2025

A Landmark Visit: Shri Katikithala Srinivas, IAS, at Zigma's Tirupati Site

We were privileged to host Shri Katikithala Srinivas, IAS, Secretary, Ministry of Housing & Urban Affairs, Government of India, along with Smt. Haritha Mourya, IAS, and a delegation of senior officials at Zigma's Tirupati biomining facility.

This visit is a powerful recognition of the critical role sustainable waste management plays in shaping India's urban future. Their presence reinforces our mission to transform legacy waste into valuable land through cutting-edge biomining solutions.

CARBON MITIGATION BY PROCESSING LEGACY WASTE

Zigma has mitigated 3,41,521.46 tons (0.34 million MT) of CO₂ emissions by processing 4,93,171.78 MT (0.49 million MT) of legacy waste between 1st July - 31st July 2025.

Carbon Sequestered by

342,566 acres
of US forests
in one year

GHG Emissions avoided by

102 wind
turbines
running
for a year

CARBON MITIGATION BY USING RDF AS ALTERNATIVE FUEL IN CEMENT PLANTS

Zigma has saved more than 9,729.43 tons (0.0097 million MT) of CO₂ emissions by dispatching 57,913.29 MT (0.058 million MT) of RDF between 1st July - 31st July 2025.

Carbon Sequestered by

9,759 acres
of US forests
in one year

GHG Emissions avoided by

2.9 wind
turbines
running
for a year

Swachh Andhra Corporation and GVMC Leadership at Zigma's

We were privileged to host Dr. Pattabhi, Managing Director of Swachh Andhra Corporation, and Mr. Ketan Garg, IAS, Commissioner – GVMC, at our biomining facility in Visakhapatnam.

The visit marks a significant step towards collaborative efforts in legacy waste remediation, where government leadership and on-ground execution come together to create lasting environmental change.

Team Zigma showcased our scientific approach to biomining — a process rooted in sustainability, circularity, and land restoration.

Inauguration of Zigma's Anantapur Biomining Project

We are honoured to announce the inauguration of Zigma's Anantapur Biomining Project by Hon. Ponguru Narayana garu, Minister for Municipal Administration & Urban Development, Government of Andhra Pradesh.

The site visit was graced by Sri Daggupati Venkateswara Prasad garu, MLA, Anantapur Urban Assembly Constituency, along with senior officials from the Anantapur Municipal Corporation and the Public Health & Sanitation Department.

This project represents a major step forward in sustainable legacy waste management, contributing to a cleaner, greener future for Anantapur and beyond.

Zigma's Bio-mining Efforts Contribute to Guwahati's National Recognition

We extend our heartfelt congratulations to the city of Guwahati on being awarded the 'Promising Swachh Sheher' title at the Swachh Survekshan Awards 2024-25. This recognition is a testament to Assam's progressive strides in urban cleanliness, sustainability, and integrated waste management.

At Zigma, we are proud to have contributed meaningfully to this achievement through the scientific bio-mining and remediation of the Boragaon legacy dumpsite, a landmark initiative that played a crucial role in transforming one of the largest dumpsites in the region into a reclaimed, ecologically stable site.

We commend the leadership of the Government of Assam, the Guwahati Municipal Corporation, and all stakeholders who collaborated towards this shared vision of a cleaner and healthier urban environment.

As pioneers in sustainable legacy waste remediation, Zigma remains committed to supporting cities across India in their journey towards circular economy and long-term environmental resilience.

Guwahati Shines in Swachh Survekshan Awards 2024-25

Assam made a strong mark at the Swachh Survekshan Awards 2024-25 with Guwahati and North Lakhimpur being conferred the 'Promising Swachh Sheher' title

CM hails Assam's urban cleanliness drive
