MAY 2025 | Issue 02

Shaping a Greener Tomorrow

This month, we celebrate a remarkable 61% efficiency growth, global strides with RDF exports, and zero safety incidents across sites. From new partnerships to tech-driven HR initiatives, May was a testament to our collective strength and progress.

Together, let's keep moving forward – with purpose, precision, and pride.

MAY 2025

Message From The Director

As we reflect on our progress in May 2025, I am filled with pride in what we have accomplished together. Our 61% year-on-year efficiency growth is not just a number — it is the result of your commitment, consistency, and collaboration across every level of our organization.

A special highlight this month is our Resource Recovery & RDF operations. With sustained momentum, we are expecting to reach 100% shredded RDF disposal in the coming months. This milestone is within our reach, and I urge every team to continue pushing forward with focus and adherence to our standards.

Our performance in safety, onboarding, operational execution, and new partnerships — including exports and major RDF supply agreements — further reinforces Zigma's position as a trusted leader in sustainable waste management.

To our awardees, new joiners, and those celebrating work anniversaries and birthdays — congratulations and welcome. Your journey is our strength.

As we move ahead, I expect every department to commit fully to achieving 100% of your targets — not just in numbers, but through the quality, discipline, and sustainability that define Zigma. Let us continue to transform challenges into opportunities and ensure that every action we take contributes to a cleaner, greener future.

Mr. B. Dharmaraj

Company Performance Overview

Key Metric

Efficiency Improvement

Result

61%

Year on Year Growth

Departmental Highlights

Operation-Biomining

Key Achievements

Inward target Vs Achievement

— Zero Manpower Loss Incident

- We are pleased to report that during the recent incident, no manpower was
- ☆ lost, and all team members remained safe and accounted for. This highlights our ongoing commitment to safety and swift incident response protocols.

— Shredder Production Achievement

- Our team successfully achieved 75% of the targeted shredder production,
- ☆ reflecting strong coordination, consistent operational efficiency, and dedication from our ground staff and technical team.

against commitment

BSF – Kochin

Key Achievements

Performance Metrics

90%

succeeded

- ☆ We are happy to share that our company has started exporting manure to the Middle East. This is a proud moment for all of us as it shows our growth and global reach.
- ☆ We have planned two shipments every month, which highlights our strong operational efforts and teamwork.

Resource Recovery & Revenue Department

Key Achievements

- ☆ We are pleased to announce that we have secured new orders for shredded RDF from Kalburgi Cements and Ultratech Rajashree Cement Works. This marks a significant achievement in our ongoing efforts to expand RDF supply partnerships.
- ☆ Additionally, we have successfully signed a Letter of Intent (LOI) with ACC Vadi for unshredded RDF from our Kodungaiyur facility.

Sales & Marketing

Performance Metrics

80%

Target vs Achievements

Human Resource (HR)

Performance Metrics

86%

against commitment

Key Achievements

— Manpower Fulfillment

- ★ 40 new employees onboarded at various project locations
- ★ 477 contingent workers onboarded at various project locations

— Rewards & Recognition Implemented

- ★ Rolled out R&R program covering all employee categories to encourage and appreciate contributions

— HRMS Portal Implementation

- ★ Successfully implemented the HRMS portal for better workforce management and employee experience.

Purchase Department

Key Achievements

- ★ No of PO's Raised for Erection on time & for Material delivery follow up at Erection sites. (Tirupathy, Sullurpet, Sri Kalahasthi, Chittor, Venkatagiri, Puttur)
- ★ Supplied all Erection materials @ 6 AP cluster sites completely. (Tirupathy, Sullurpet, Sri Kalahasthi, Chittor, Venkatagiri, Puttur)
- ★ Kodungaiyur Package 3 site segregated old materials and has been utilized in AP cluster Erection sites. (Chittor, Thirupathy & Venkatagiri)

Key Achievements

— Weighbridge

- ★ Completed weighbridge installations and WB portal deployment at multiple locations (Madanapalle, Donthali, Palamaner, Punganuru, Kuppam, and Tirupati).

— Software

- ★ Rolled out the Payroll module (Web & App) successfully.

— IT

- ★ Deployed EDR-CSF on 220 systems PAN India, enhancing endpoint security and implementation of mdm at Nagpur. Deployed the network and product arrangement in advance for AP clusters.

— Surveillance

- ★ Identified and resolved 124 surveillance-related issues, including preventing material theft at Kodungaiyur.
